

# THE PRINCIPLES OF PHONICS WORKSHOP

**What is Phonics? How it has been taught over the years?**

**This workshop will give participants an understanding of the key principles in teaching phonics so as to enable them to maximise the resources they have available in their schools or homes to help students or children. It does NOT market any particular brand or phonics programme, but explains the many ways that phonics can be taught, including synthetic phonics or embedded phonics using multi-sensory instruction for different types of learners.**

**SUITABLE FOR**

**Preschool and Primary School teachers, Caregivers and Parents**

**DURATION**

**8 hours**

**COST**

**Based on the number of participants**

**TRAINERS**

**One trainer**
